Please continue to consult either MemberConnect or the monthly bulletin for the most up-to-date reading assignments. If you have provided a valid email address to the Parish Office, you will receive a reminder email with the Bible passage listed, prior to your assignment.

If you cannot read on your assigned date, please call another reader on the list and make arrangements to swap. For feastday Liturgies during the week, and Holy Week (March 28–April 3), please call me if you wish to read; otherwise, I will select someone present that day.

Thank you for your commitment in sharing your special, God-given talent with our Parish.
